EXPERIENCE

Math Teacher, August 2021 - Present

Austin Achieve Public Schools, Austin TX

Collected, stored and analyzed data on students' mastery of objectives to personalize lessons and reviews. Created customized web-based Desmos Activities to allow students to explore and visualize mathematical topics.

Adjunct Instructor, June 2020 - May 2021

Corban University, Salem OR

Taught online and hybrid courses. Managed zoom classes with 50% of the class attending internationally.

Teaching Associate, August 2018 - May 2020

California State University Fullerton, Fullerton CA

Assisted with the College Algebra section and taught College Algebra and Calculus II. Managed the transition from in-person to online instruction. Participated in the Faculty Learning Community.
